WHAT IS INVOLVED?

“There are many people both inside and outside St Mary’s who feel that this is their church. We invite them to show their goodwill and support by becoming a Friend of St Mary’s.”

- NOEL HECTOR *Rector, St Mary’s Walton*

WHY DO WE NEED A FRIENDS’ GROUP?

- To enable the church to keep in touch with families and individuals who are unable to come to church or the churchyard regularly.
- To allow those interested to receive regular updates on church activities.
- To maintain the beauty of the church and churchyard by preserving the building and its surroundings.

HOW DOES FRIENDS OF ST MARY’S WORK?

St Mary’s Church when restored in 1870

Our goal is to help preserve and maintain our church and churchyard for future generations. They are open every day and provide a sanctuary of peace for the people of our parish and visitors alike. St Mary’s is also a treasured venue for weddings, christenings, funerals and other events. We do not help with normal running costs but use funds for special projects and repairs.
